

TECHNOLOGY MADE EASY FOR OVER 55s

AVALON COMPUTER PALS FOR SENIORS

NEWPORT SHORT COURSES – SPRING 2026 – Tuesdays 1:30 pm to 3:00 pm
Newport Community Centre, 11 – 13, The Boulevarde, Newport

13 Oct Defeat the scammers now using AI FREE

NSW police are attending to help us battle the current threats. It's sensible to find out about the latest scams that are affecting all of us.. Bring your burning questions and join us for afternoon tea afterwards. **FREE**

20 Oct 10 ways to optimise your iPhone & iPad. \$10

We will help you optimise your iPhone — less frustration, more fun. We will also cover things like simple tricks you'll wish you knew sooner, and how to make your 4-year-old Apple device last 6 years!

27 Oct AI: the good, the bad and the downright terrifying! \$10

We will talk about all three types of AI as well as give an explanation as to what AI actually is. Then we'll spend some time "playing" with a few of the AI models - audience participation requested.

10 Nov Use your iPad to create an animated slideshow \$15

We will use preinstalled iPad apps to transform a selection of your photos into an animated slideshow. Prerequisites: functioning iPad, 18 or newer iPad and some photos flagged as 'favourites'. **LIMIT OF 6**

17 Nov Password Managers – So many available, but which one to use? \$10

Passwords are not going away anytime soon. How do we navigate through all the available options? This is a simple guide to the options and when, where and also why we should use them.

24 Nov Accessing Government Services \$10

These days we are almost forced to use online tools to interact with government. Learn how to use MyGov and Service NSW to access Medicare, My Aged Care, Centrelink, Keoride buses and more.

1 Dec Online Christmas Shopping \$10

You can't always get that special gift at the shops these days, so you have to shop online. Expand your gift giving horizons and learn how to shop online safely and with confidence.

8 Dec Ten pieces of technology that seniors could embrace. FREE

There are lots of devices and apps that you may not know about that other people use everyday. Turn up to this informative session where we share our favourite bits of technology with you. **FREE SESSION**

Advanced booking is essential for paid courses. To pay go to <https://www.avpals.com/booking/> or scan this QR code:

Any problems with booking online, leave a message for Simone on 8064 3574.
